

# Discovery Special Academy

## newsletter

We want to keep you up to date with all of the latest information from Discovery Special Academy so we will distribute a newsletter every half term. Overleaf is an update from your child's staff team. Any queries regarding any of the items on the newsletter then please contact the Academy office on 01642 248333.

### Stay and Share sessions

We will be inviting parents/carers into the Academy for 'stay and share' sessions over the course of the half term. This will enable you to see your child's learning environment, communicate with staff and become involved in some activities. You will be notified of dates in the near future.

### Winter Celebrations Day and Winter Jumper Day

**MON 10<sup>TH</sup> DECEMBER** – Winter festival celebration - Parents/carers are invited to join us for our 'Winter Festival Celebration'. Details to follow.

**FRI 14<sup>TH</sup> DECEMBER** - Children be able to wear a Winter related jumper instead of their normal school jumper. We ask for a £1 to be donated for 'Save The Children'.

### Medical Appointments

Just a polite reminder that parents/carers inform the Academy in advance of any medical/professional appointments and, where possible, provide evidence of the appointment. This means that your child will have an 'authorised absence' rather than an 'unauthorised absence'. For ease you can email any paperwork to [enquiries@discoveryspecialacademy.org.uk](mailto:enquiries@discoveryspecialacademy.org.uk) Children are also strongly encouraged to attend the Academy either before or after an appointment.

### Collection for Harvest Festival

The Discovery staff team collected some food items which were donated to and greatly appreciated by the new food bank at Outwood Academy in Ormesby.

### Curry for Cancer

The Discovery staff team raised £27 to be donated to Cancer Research after Chris Shields kindly cooked up some lovely curries!
