

Year 1 Newsletter – Spring Term 2019

Curriculum: We are learning...

Our topics this term are:

Down on the Farm

Zoo Animals

We will be using these texts:

Stop Elephant Stop

A Squash and a Squeeze

Oi Frog

NEW SOFTWARE

We have been using new computer programmes that let us create activities based on the children's individual targets.

Our class have been on their first school trip to Coulby Newham Leisure Farm. Here are a few photos from our lovely day!

We loved looking at all the animals and exploring the farm. We were all so excited to see new animals!

WATER/DRINK BOTTLES

Please could you send a reusable water/drink bottle in with your child every morning and we will return it in their bags at the end of the day. This would be very helpful! Thank you!
