

SMSC & British values 2018-2019

Pupils' **spiritual, moral, social and cultural development** equips them to be thoughtful, caring and active citizens in school and in wider society. At Discovery, we promote fundamental **British values** and pupils' SMSC development. The five British Values are:

- Democracy.
- The rule of law.
- Individual liberty.
- Mutual respect.
- Tolerance of those of different faiths and beliefs.

Evidence of this across the year can be seen below:

All classes focus on mutual respect every day through their care and commitment to each other.
