Welcome back!

We hope you all had a lovely summer break. It is lovely to see all the children back and great to see them all settling into their new class well.

Marvellous Me

Marvellous Me is a great app that allows us to share photos and send messages about your child's learning. Please ensure that you are signed up. If your child is new to school and you need help setting the app up, please do not hesitate to ask for help.

Our First Week!

We've had such a great first week! The children love their new classroom. They enjoy playing in the home area together and love pretending to have a tea party. They also enjoy playing in the sand and building in the tuff tray! We will begin music sessions next week with Chris on Wednesday afternoons. We are looking forward to playing musical instruments and singing.

Our Curriculum and new classroom:

We have lots of exciting things planned this term and will be doing lots of circle time and friendship activities linked to our topic 'Do you want to be my friend?' As part of this, we will be looking at what makes a good friend and learn all about how to care for our friends.

Our new classroom is lovely! Thank you to all involved in the building work!

P.E

We will be starting P.E next week. We will have a Sports Coach, Steve, working with us on a Monday morning. We are looking forward to working on our movement skills! Please send your child in with a P.E kit. Thank you!

Sensory/soft play

We will be accessing sensory and soft play at Pennyman starting next week. This will be an excellent opportunity for the children to engage in sensory play and use switch operated equipment. We will attend this session every other Tuesday afternoon.

WATER/DRINK BOTTLES

Please could you send a reusable water/drink bottle in with your child every morning and we will return it in their bags at the end of the day. This would be very helpful! Thank you!
