

Welcome back

Y3/Y4

We hope you all had a lovely half term break. Thank you all for coming back to school ready to learn.

BEING THE BEST WE CAN BE!

Our Golden Rules

- ✓ We are gentle (we don't hurt others).
- ✓ We are kind and helpful (we don't hurt anybody's feelings).
- ✓ We listen (we don't interrupt).
- ✓ We are honest (we don't cover up the truth)
- ✓ We always work hard (we don't waste our time or others' time).
- ✓ We look after our own and other people's property (we don't waste or damage anything).

Our First Week!

What an amazing start we have had! Our class is lucky enough to have the wonderful Forest Schools company in our class this half term. We had a fantastic first lesson outside on a mini beast hunt. We also learned all about hedgehogs and what they need to survive.

Every Wednesday, children will be working outside. Please send in wellies if your child has them. Thank you.

Our Curriculum:

PE will take place on a Monday morning and Thursday afternoon. Please send a PE kit in on these days.
Thank you.

Music will take place every other Wednesday but we will be doing lots of singing in the classroom too.

Art and craft will play a big part in our curriculum work this half term where we will be completing activities linked to our topic of **Dinosaurs**.

We will be reading **Dinosaur Roar** and learning lots of dinosaur facts. In Science, we will be exploring how to keep our teeth healthy.

Home/school communication books

Thank you to everyone who uses the home/school books to stay in touch. These are really important for us to communicate any needs your child may have during the school day. Thank you for including the home /school book in your child's book bag every day.

Reading at Home

Sharing a book at home is really important as it creates a love of reading. If your child can't read many of the words it helps to talk about the pictures and what the book is about. Your child is really good at using pictures to 'read' a book.
