

Dear parents and carers,

As we approach the end of 2019, we would like to take this opportunity to thank you for your continued support.

At Discovery, we have a very dedicated and hard-working staff which some of you will want to thank as we approach the festive season. Over recent years it has become more common to purchase gifts for teachers and teaching assistants, which although is so very, very lovely - we want you to know that it is not expected.

Staff at Discovery love their job and your children make it all worthwhile. Buying gifts can become very expensive and we would rather your funds were spent on your children and family so that your festive period is as special as possible.

Without a doubt, the nicest gift a member of staff can receive is a handmade picture or card. What a lovely lesson for the children to learn; a 'thank you' is free but warms the heart.

We would like to take this opportunity to wish you and your families well over this festive season and look forward to working together in 2020!

Best wishes
