

Sensory Story of the Week

Walking through the Jungle by Julia Lacombe

The children love this story – please encourage your child to sign the jungle animals and join in with the rhythm and rhyme of the story.

A version of the story will be uploaded onto our website with me reading the story and signing for the children to watch!

Hello! I hope these have been helpful. I will continue to send new activity ideas to you each week and think of new ways to support you through this time.

If you need anything at all, have any questions or just want to talk please get in touch with school and I will help you in any way that I can.

Take care, Stay safe

Becky x

Sensory Number Song of the Week

Down in the Jungle

Singing hands sing 'Down in the Jungle' on YouTube. It's a firm favourite in our class- The children will be able to join in and show you the actions!

Yoga

If you go onto YouTube and type in

'Cosmic kids yoga jungle'

_you will find Yoga Time! Jungle safari- Kids yoga and Nursery rhymes

The children will love it!

Sensory Activity

Fun with water!

Our children find playing with water to be a calming activity. Put some jugs, plastic cups in the bath or a bowlful of water and encourage your child to pour the water and empty and fill the containers. This will help develop hand eye coordination and fine motor skills. Always keep a careful eye on your child when playing with water.

Add some bubbles for extra fun!

Craft Activity of the Week

Finger painting- see if you can encourage your child to explore the paint with their fingers- Then your child can mark make on paper using their fingers!
