

Sensory Story of The Week

Three Little Pigs

If you have some soft toys you can use these if not you can print and cut out the characters and scenery from twinkl website and act out the three little pigs.

<https://www.twinkl.co.uk/resource/t-t-518-the-three-little-pigs-stick-puppets>

We use this cartoon for the three little pigs and all of the children enjoy it.

Art Activity of the Week

Spray Paint Pictures

<https://www.youtube.com/watch?v=fZiywuvrgEE>

Use a spray bottle, water and a little paint or food colouring to make an easy spray paint picture.

Hello! I hope these have been helpful. I will continue to send new activity ideas to you each week and think of new ways to support you through this time.

If you need anything at all, have any questions or just want to talk please get in touch with school and I will help you in any way that I can.

Chris

Messy Play Activity of Week

Flour and Sive

Well this is a little less messy than last week's activity, however it is still pretty messy. Use a tray or even a box and sprinkle flour on top. You can hide items in there or simply make shapes with your finger for your child to copy or mimic if appropriate. This can be used like sand so you can make 'flour castles' if you want to. Just use a cup to make the tower.

Sensory Number Song of The Week

5 Little Ducks

Counting down from 5, focus on 'takeaway' if appropriate.

Use rubber ducks in the bath or use the puppets in this link

<https://www.twinkl.co.uk/resource/t-t-1761-5-little-ducks-stick-puppets>

You can sing the song or alternatively you could play the video every other day for a change

<https://www.youtube.com/watch?v=pZw9veQ76fo>

Craft Activity of The Week

DIY foam Paint

This is really fun and you only need paint, PVA Glue and Shaving Foam.

Mix them all in a zip lock bag, then use for sensory exploration or making patterns!

There is a breakdown of how to make it in the link below:

Interactive Technologies

<https://www.topmarks.co.uk/maths-games/3-5-years/counting>

Use the above link to play an abundance of fun maths games at all levels

Free Apps of the Week for both android and iPad

Fluidity, Fireworks, Mouse Maths, Word Magic lite, Phonics Island

All three of these apps are free and provide a range of interactive activities.
