

# Home activities - Hanna's Class

Week 8, 18.05.2020

Hello, I hope you've all had a lovely week and enjoyed doing your activities.

Please continue to watch the Phonics videos and do not hesitate to get in touch with school if you would like any further activity ideas, help or support.

#### Story

The Train Ride is one of our favourite stories. Watch the Youtube video <a href="https://www.youtube.com/watch?v=tlxuZzdLKHA">https://www.youtube.com/watch?v=tlxuZzdLKHA</a> and tell the story to your child. What can they see? Can they spot any animals? You could act the story out together, make your own train tickets, pretend to bourd the train and you could even make a picnic lunch to eat on the train!

**Stories and Mark Making** 

Please continue to read a range of stories and do various mark making activities together. These may include making cards, writing a shopping list or making a pretend café order. Please see below for a lovely outdoor mark making activity and a template for the train tickets.

#### **Number Activity**

#### Number Stick!

This activity is simple to do. You will need to write your numbers large in boxes like above; 1-5 if your child is working within that and 1-10 if they're working within that. Get your child to put the correct amount of stickers into the box to match with the numeral. If you don't have stickers, use anything similar that you already have at home.

To extend their learning, you could then ask them to find a specific number and represent this using their fingers. You could also cut the numbers out and see if your child can correctly sequence the numerals.

#### Art activity of the week - Sock Bunny

You will need:
-A sock
-Ribbon, twine or string
-Rice
-Stick on eyes or a
permanent marker to draw
them on
-A pink pompom for the
nose or a pink marker to

draw it on

Together, fill the bottom of the sock with rice, then tie with the ribbon, twine or string. Again, fill the head of the rabbit with rice and tie. Make the top into ears then stick or draw the eyes on. This activity promotes fine motor and hand eye coordination skills.

## **Phonics**

The children enjoy practising the letter sounds to this video.

### Messy Play Activity of the Week

## Outdoor painting with roller, brushes and water!

You will need: a paint tray/bucket filled with a little bit of water, paint rollers and paint brushes

This activity promotes a range of skills including motor skills beneficial for mark making. Get your child to paint the fence, pavement or bricks on the house. You can sing 'The Grand Old Duke of York' with the paint roller to promote their up and down movement. To support their circular movement, sing 'The Wheels on the Bus go round and round' or, 'this is the way we paint a circle'. Please see the lyrics below. Have fun!

## **Interactive Technologies**

## https://www.helpkidzlearn.com/

Use the above link to lots of interactive resources for laptop and iPad—you can connect a laptop to a TV using an HDMI cable to make it much bigger. You can sign up and get around 20 resources free — we use this every day in class and all of the pupils love it.

Free Apps of the Week for both android and iPad

Cbeebies Playtime Island, Cbeebies Story Time, Cbeebies Get Creative

All three of these apps are free and provide a range of interactive educational activities.

## P.E

Cosmic Kids is a great way to get moving and to practise Yoga to stories!

The children enjoy the above movement song.

Sit Up Song

We enjoy this movement song and do it daily.

Mark Making songs:	
The Wheels on the Due	
The Wheels on the Bus The wheels on the bus go round and round, round and round and round	
The wheels on the bus go round and round	
All day long	
All day long	
The Grand Old of York	
Oh the Grand old Duke of York	
He had 10 thousand men	
He marched them up to the top of the hill and he marched the down again	
And when they were up, they were up	
And when they were down, they were down	
And when they were only half way up, they were neither up nor down!	
This is the way we paint our circle (sing to the tune of Here we go round the Mulberry Bush)	
This is the way we paint our circle, paint our circle, paint our circle	
This is the way we paint our circle, when we paint outside
