

### Sensory Story of The Week

#### Mr Gumoy's Outing

I will send home this sensory via Evidence for Learning tomorrow with everything you need to copy!

### Art Activity of the Week

#### Finger Print Tree

A Finger Print tree looks great but isn't too tricky to make. If you draw an outline of a tree and then dap your child's finger over the branches to make it look like leaves!

Hello! I hope these have been helpful. I will continue to send new activity ideas to you each week and think of new ways to support you through this time.

If you need anything at all, have any questions or just want to talk please get in touch with school and I will help you in any way that I can.

Chris
