

## English

This week's story is called: Handa's hen

Watch the video: <https://www.youtube.com/watch?v=-9FZqX1CBqE>

Questions to ask:

1. Who was Handa looking for?
2. How many fluttery butterflies did the girls find?
3. Which animals were hiding in the long, wavy grass?
4. Where was Mondri hiding?
5. What was the surprise at the end of the story?

## Maths

Sing and dance to the 'count to 20' song

Listen to the story of Handa's Hen again and count the animals.

Think about the word 'altogether'.

Add the butterflies to the crickets to find how many animals **altogether**. The answer is **8**.

Now, you choose 2 groups of animals and add them to find how many **altogether**.

Now draw a butterfly and make the pattern on each wing the **same**.
