

## English

This week we are going to learn about eagles.

Watch the video of an eagle flying  
(a camera is attached to its back!)

[https://www.facebook.com/bbcearth/videos/slow-odyssey-fly-with-an-eagle/3394518353915030/?so=permalink&rv=related\\_videos](https://www.facebook.com/bbcearth/videos/slow-odyssey-fly-with-an-eagle/3394518353915030/?so=permalink&rv=related_videos)

After you have watched the video, read the facts together:

1. Eagles are big birds.
2. They have a beak and talons to catch prey.
3. They build nests on high cliffs or in tall trees.

Can you remember which other bird has talons? We have seen one in real life!  
(answer: an owl)

## Maths

Watch the video and sing along:

<https://www.youtube.com/watch?v=diMJlV-4N0>

Number and dice activity :

First collect 10 objects as shown in the video.

Make numbers 1 - 10 using paper or card.

Use the link to 'roll' the dice <https://www.online-stopwatch.com/chance-games/roll-a-dice/>

Now, **find** the number you have rolled and **collect** the correct amount of objects.

Remember to count carefully!

Challenge : on the link above, you can select 2 dice. Roll the dice and add the them together to get a total.

## Activities of the Week

Use the link below to make some fun puffy paint

<https://www.youtube.com/watch?v=zr4kFWRfScU>

Threading is always a favourite activity in our class. Use string and pasta shapes to make your own threading activity.

Hello!

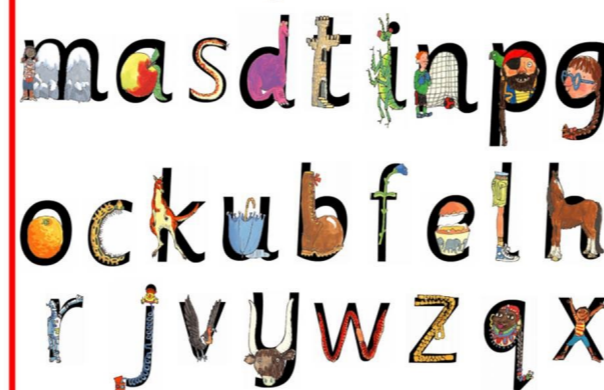

Here are your Week 11 learning ideas.

As always, please listen to the phonics sounds on our website as often you can.

If you need any further support or if you have any questions please ring school and I will help you where I can.

Thank you,  
Michelle

## Writing

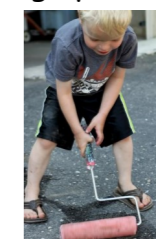

Writing is fun!

This week, practise your writing using different materials.

Don't forget to make number patterns and shapes too.

**Outside:** use water to paint the ground, fence or wall. You can use rollers, paint brushes, mops or large sweeping brushes. Fill a bucket or washing up bowl with water and get writing!

**Inside:** Use the puffy paint you have made from our activity of the week to write some letters or words.

Use shaving foam on a tray or on tin foil to create a fun space to write. You could add paint, glitter or food colouring too.

## Melt the Ice!

Your task is to work out the quickest way to melt an ice cube.
