

# Chris and Leanne's Class Newsletter – Summer 1 2021

This term we will be  
reading:  
**The Enormous Turnip and  
Peace and Last**

## Welcome back!

Hi everyone and welcome back after the Easter break. We hope you have enjoyed the 2 week holiday and the children are all ready to get back into our learning environment.

This half term we are going to continue to develop our communication skills, following routines and growing our independence. As the weather gets better and the sun shines we will be exploring the outdoor world, planting and digging and exploring the wonderful natural products that summer brings us!

We will continue to focus on number recognition and the value of numbers and amounts as we learn all about numbers, consequently learning new skills, reinforcing and embedding our learning. We will also be looking at shapes in and around our environment and learn their names, expanding our mathematical vocabulary, where appropriate.

Leanne's class have settled in very well in their class on the Pennyman site and have been getting to know their new environments before the Easter break so they are familiar and ready to learn for the summer term.

The pupils in Leanne's class have settled in very well to their new classroom. They particularly enjoyed Red Nose Day!

Pupils in Chris's class really enjoyed making mother's day cards!

Over the course of the half term the children will be learning to make Turnip Soup to go with our story! We will make it every week and the children will receive less support each week with the eventual goal of making it themselves with simply visual support!

**Teachers Chris and Leanne**

**Learning Support: Terri, Mollie and Chloe**

**Care Assistants: Jo and Tanya**

If you have any questions or concerns regarding your child, please do not hesitate to speak to us.

We are here to help. Thank you.
