

Welcome back! It is lovely to see all the children back at school settling so well into their routines.

Curriculum

This term we are learning:

- We will be exploring the Summer season through a range of multi-sensory activities interlinked in our Art, DT, PSHERE and Music. We have had great fun looking at places that make us feel happy and exploring them.

We will be focusing on these key texts this half term as well as looking at flower growth and parts of a flower:

Marvellous Me and Home/School Diaries

It is lovely to see parents engaging in Marvellous Me and being part of their children's learning journeys. It is also lovely to see engagement in Home/School diaries using our new communication format. Please ensure that you check these daily and use the parent sections to respond. It's very helpful for us to know information from home as it helps inform your child's school day.

Class 2

Teacher: Hanna

Learning Support: Kendra, Emma

Care Assistants: Julie

Class 3

Teacher: Zahida

Learning Support: Sarah, Emma

Care Assistants: Julie

If you have any questions or concerns regarding your child, please do not hesitate to speak to us via your child's home/school diary or by contacting us through the office. We are here to help. Thank you.

PE and Library

We are enjoying our PE sessions where we are practising our rolling skills. We have enjoyed rolling to our friends, rolling skittles over and throwing under arm to try and hit a target.

Library

We are really enjoying using the library and hearing that you and your child are enjoying sharing books at home. Please remember to send them back to school on a Thursday.

Attention Autism

Attention Autism is a great way to build attention, listening, independence and turn-taking skills. Hanna's class have enjoyed making blossom trees and Zahida's class have enjoyed turn taking activities.
