

Leanne's Class Newsletter

- Autumn 1 2021

Welcome back!

Hello and welcome back. It is lovely to see all the children settling back into school and into their new class daily routines.

We will spend the next few weeks getting to know our environment, getting to know each other and engaging in lots of sensory activities so needless to say we will be getting messy!

We are focusing on our social and communication skills a lot over the coming weeks in order to help us to adapt to our new school environment through the use of objects and symbols.

Teacher: Leanne

Learning Support: Emma, Gemma and Chloe

Care Assistant: Lesley

If you have any questions or concerns regarding your child, please do not hesitate to speak to us.

We are here to help. Thank you 😊

This term we will be learning:

All About My School...

Who am I, who is in our class, daily routines, our likes and dislikes.

We will be reading:

and

We will also be learning about numbers through number rhymes, where appropriate.

A Therapeutic Curriculum

We will be learning through a therapeutic curriculum and so far, we have been exploring a range of sensory activities and experiences. We have had so much fun learning and we have got a little bit messy in the process! We have also shown a love of Music and have been working hard following our daily sensory programmes.

For some sessions this term we will be visiting the Soft play Room and Sensory Room at Pennyman Academy. Please keep an eye out for this in your Home/School Communication Books.

Home/school communication books

All children have been given new home/school books to take home so we can communicate about your child's school day and pass on any important information. Please also write in the books and let us know how they have been at home too so we can ensure continuity throughout their day, Thank you for including the home /school book in your child's bag every day.

We will also send you important messages and photographs about your child's learning via Showbie. Please make sure you are signed up for Showbie. You can download the app on your phone/tablet. Please contact the office on 01642 248333 if you need your logon details re-issuing again.
