Friday 7<sup>th</sup> October 2022

Dear Parents/Carers,

As an exciting opportunity for our older students, we are offering the chance to take part in a residential visit from 10<sup>th</sup> to 12<sup>th</sup> May 2023, at Carlton-in-Cleveland.

This will be a wonderful experience and will give students the chance to develop their skills in a range of areas that will support their preparation for adulthood, working on their independence, their communication and interaction, their teamworking skills and their health and well-being.

As mentioned, this is a really exciting opportunity and your son/daughter will gain massively from their attendance. Discovery staff will be supporting pupils throughout the duration of the residential.

We are subsidising the cost of the residential visit, meaning that the total cost for parents will be £120. This will cover the transport, the accommodation and the cost of all activities, tuition and food and drink while the students are away.

We will contact you again, with further details of the residential and a full itinerary but, in the first instance, we would like you to let us know that you are happy for your son/daughter to attend the residential and would like to secure a place by paying a non-refundable deposit of £20.

The remaining balance of the residential (£100) can be paid by weekly or monthly instalments and we will provide more details about this once deposits have been paid.

Please complete the information below and return it to the school, with £20 deposit, by 4<sup>th</sup> November 2022

Yours faithfully,

Andy Smyth  
(Assistant Head Teacher)

Ann Titchener
