

Positive Behavioural Support Workshops for family carers

We will be running a series of workshops on Positive Behavioural Support (PBS).

PBS is recommended as the best way of supporting people with behaviour that challenges. The course has been co-developed by parents and PBS trainers.

These workshops are for parent/carers of children with a learning disability and/or autistic children aged 4-18 years old.

To book a place contact: [The Complex Needs Key Worker Team 01642 531248 \(Option 0\)](tel:01642531248)
