## Spring 1 2022

### Welcome back

We hope you had a lovely Christmas Break. We are very happy to be back at school and are looking forward to lots of exciting activities and learning taking place this half term. We had a great first week back with all the children.

### Thank you

Thank you for continuing to return library books each Thursday. This half term we will be starting to send home reading books to share with your child. We ask that you look through the pages promoting being careful as you turn the page and pointing out what you and your child can see. I will post a video to Showbie of an adult reading with your child in school on Showbie. If you have any questions please ask.

### Showbie

We are continuing to use the Showbie app to send you photographs and information about your child's learning. Please send your responses so we can share these with your child in school.

### Curriculum

**The Tiger who came to tea** is one of our texts this half term

In **science, PE and PSHERE** we will be naming the different parts of the body and thinking about keeping our body and mind healthy.

### Maths

In maths, we are going to be practising 'careful' counting. We will be counting everything from steps we take, blocks, toys, children, all so the children can hear the number names in the correct order.

**1,2,3,4,5,6,7,8,9,10**

In our **PSHERE** lessons this half term, we will be learning about how to keep ourselves healthy and clean. We are going to practice brushing our teeth and washing our hands.
