– Spring 1 2022

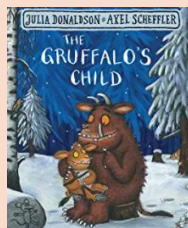

Welcome back!

We hope you all had a lovely Christmas break. Welcome back and Happy New Year. It is so lovely to see the children settle straight back into school ready for 2022. We are very excited about all the lovely things we have planned. Please remember to send into school a warm coat and suitable footwear as we continue to work in both indoor and outdoor learning environments.

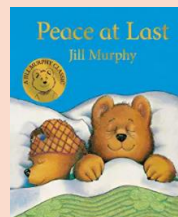

This term we will be learning:

All About Families... Who am I, who is in my family and different families in stories.

This first half-term we will be reading:

and

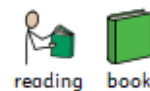

In addition, we will observe and explore the world around us throughout the changing of seasons from Winter into Spring.

Thinking and Learning Skills

We will continue to learn through a therapeutic curriculum, exploring a range of sensory activities and experiences. In numeracy we will be focusing on number recognition through rhymes and songs and where appropriate the value of numbers and amounts.

We hope you are enjoying sharing the weekly reading books sent home each week. Books are sent home at the beginning of the week and are to be returned on a Thursday. Happy reading 😊

showbie

We will continue to send messages in the Communication Books and on Showbie. Please also send any messages or photos of what your child is doing at home. We would particularly love a family photograph for our topic.

If you have any questions or concerns regarding your child, please do not hesitate to speak to us.

We are here to help. Thank you
