pupil voice gives you the

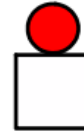

opportunity to play an

active role in decisions

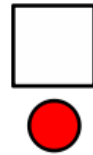

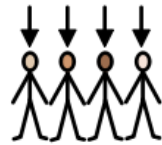

that affect you.

The United Nations Convention on the

Rights of the Child (UNCRC) defines a

18

child as everyone under 18

Article 12:

Respect for the child's views.

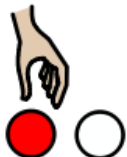

When

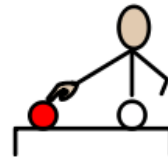

adults

make

decisions

that

affect

children,

children

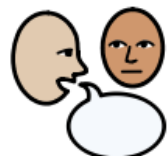

have

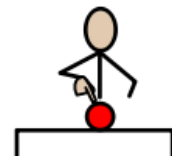

the

right

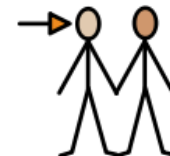

to

say

what

they

think

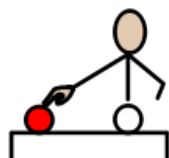

should

happen

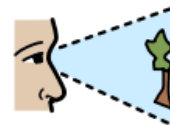

and

that

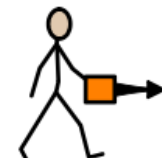

their

views

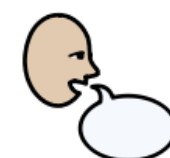

are

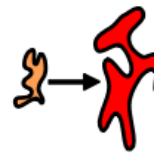

taken

into

account.

       
Pupil voice encourages you to become active members

  
in a democratic society.

       
We have a system of government called democracy.

   
Democracy means 'rule by the people.'

But, we can't all 'rule' or be the boss!

That is why we have a system where our voices

can be heard and we can vote.

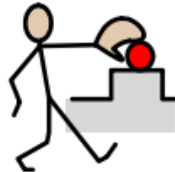

How

do

I

get

my

voice

heard?

Our

Student

Leadership

Team

is a

way

you can

have

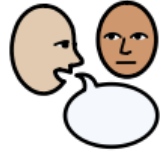

a

voice.

You can

talk to

the

adults

in

the

academy.

We

could

have

a

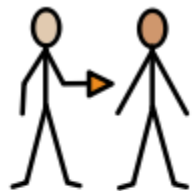

suggestion

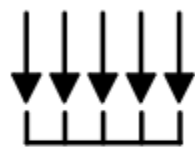

box.
