School Uniform Policy

Statement:

At Tees Valley Education MAT all of our academies respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils, so they can learn in a relaxed and secure atmosphere. We believe every pupil should be able to participate in all school activities in an enjoyable and safe environment, and feel part of a whole school community. We strongly believe wearing a school uniform forms part of this whole school ethos. Upholding these values is the responsibility of every adult employed by, or invited to deliver services at any of our academies.

Consultation:

This policy has been written in consultation with representative parents, children (via the academy council), teachers, local academy committee, Trust Board members and Trust SLT.

1. Introduction

1.1. The Department for Education (DfE) strongly encourages schools to have a school uniform. This policy sets out Tees Valley Education MAT's policy and approach on uniform and confirms each TVED academies commitment to providing value for money to parents and ensuring that no pupil is discriminated against due to their gender, disability, religion or belief, economic circumstances or social and cultural background.

1.2. The school uniform helps ensure that pupils of all races and backgrounds feel welcome. It helps to protect children from social pressures to dress in a particular way; and nurtures cohesion, promoting good relations between different groups of pupils. Above all, the school uniform supports effective teaching and learning.

1.3. This policy follows the DfE statutory guidance 'Cost of school uniforms', published 19 November 2021. It is both a Trust wide and academy policy, with specific uniform items (academy colours) will be referenced on Academy websites and welcome packs.

2. Aims and objectives

2.1. Our policy is based on the notion that school uniform:

2.1.1. promotes a sense of pride in the school in line with our ethos;

2.1.2. engenders a sense of identity and belonging towards the school community;

2.1.3. supports positive behaviour and discipline;

2.1.4. is practical, affordable and smart;

2.1.5. makes students feel equal and encourages cohesion;

2.1.6. has been designed with health and safety in mind; and

2.1.7. supports sustainability.

3. Roles and Responsibilities

3.1. The roles and responsibilities of the Trust Board, Trust Directors, Local Academy Committee, Headteacher, teachers, parents and pupils in relation to school uniform are set out at Schedule 2 of this policy.

4. School Uniform Cost and Availability

4.1. In accordance with the School Admissions Code and the DfE statutory guidance 'Cost of school uniforms', TVED MAT and each of its academies will ensure the uniform policy does not discourage parents from applying for a place for their child at the academy.

4.2. TVED and its academies are committed to meeting the DfE's recommendations and guidance on costs and value for money. Care is taken to ensure that school uniforms are affordable for current and prospective pupils, working with multiple suppliers to obtain best value for money and avoiding exclusive single supplier contracts or cash-back arrangements.

4.3. The academy minimises any changes to the school uniform, taking into account the views of parents and pupils when considering any proposed changes.

4.4. The academy makes provision for second-hand uniforms to be available, which can particularly benefit parents on low incomes. Parents are encouraged to donate second-hand clothing which is of a satisfactory quality and which is no longer required, so this can be used by other parents. Parents may also wish to access the Community School Clothing Scheme, a Community Interest Company (CiC) which provides a free service to assist families in need within the North East and UK wide. Other suppliers are detailed in Schedule 1 of this Policy.

5. Equal Opportunities

5.1. Each academy is committed to promoting equality and ensuring that this policy or the application of this policy does not discriminate unlawfully.

5.2. Reasonable adjustments will be made to the uniform policy where it places a disabled pupil under the Equality Act 2010 at a substantial disadvantage compared to pupils who are not disabled.

5.3. A key priority is that the academy will ensure that reasonable steps will also be taken by the academy to ensure that the cost of girls' and boys' uniforms are not disproportionate.

5.4. The academy will ensure that its uniform is as gender neutral and inclusive as possible.

5.5. Some religions and beliefs may require their members to conform to a specific dress code. The academy does not discriminate against any religion or belief and will endeavour to allow religious requirements to be met where possible, whilst weighing up the needs and rights of individual pupils against the cohesion and health and safety concerns of the entire academy community.

5.6. Any request by a parent or pupil for any particular religious item to be worn, or any request for a change to the uniform policy, shall be considered on a case-by-case basis by the Headteacher and Local Academy Committee.

6. School Uniform

6.1. Schedule 1 sets out the school uniform to be worn at the academy. If parents are in any doubt about any aspect of school uniform, then please check with the Headteacher, Front Office team or Pastoral & Welfare lead before proceeding. We strongly advise parents to place the pupils' initials inside all items of clothing; the Trust or Academy cannot be held accountable for lost items of uniform.

7. Jewellery

7.1. The academy does not allow pupils to wear jewellery in school due to health and safety concerns. The exceptions to this rule are (1) one pair of small stud ear-rings in pierced ears that can only be worn if pupils are able to remove them independently for PE or other physical activity; and (2) a sensible wrist watch. Smart watches are not allowed in school.

7.2. Jewellery is the responsibility of the pupil and not the academy. The academy accepts no responsibility or liability for any lost or damaged items or injury sustained due to wearing items of jewellery.

7.3. All jewellery must be removed during practical lessons, including PE lessons, after-school clubs, science experiments and certain educational visits, at the request of a member of staff or group lead.

7.4. Any jewellery worn which falls outside of this policy will be asked to be removed.

8. Hairstyles

8.1. The school reserves the right to make a judgement on the suitability of pupils' hair and appearance.

8.2. Extreme hairstyles, such as mohawks, tramlines and patterned or brightly coloured hair, are unacceptable and not permitted.

8.3. Pupils with long hair must ensure that this does not impede their vision, cover their face or provide a health and safety risk. Long hair must be tied up during all practical lessons, for example during science experiments or PE or outward bound style activities.

8.4. Bandana style headbands and flowers/bows or excessive hair accessories are not to be worn; however, plain hair clips or bands are acceptable in neutral tones or academy colours.

8.5. Some religions and beliefs may require their members to wear their hair in a particular style. The school does not discriminate against any religion or belief and will endeavour to allow religious requirements to be met where possible, whilst weighing up the needs and rights of individual pupils against the cohesion and health and safety concerns of the entire school community. Any request by a parent or pupil for a particular hairstyle to be worn, or any request for a change to the uniform

policy, shall be considered on a case-by-case basis by the Headteacher and Local Governing Committee.

9. Makeup

9.1. Pupils are not allowed to wear makeup, including nail varnish, gel nails and nail extensions.

9.2. Pupils wearing make-up or nail varnish are required to remove it or, if appropriate, parents will be asked to come to the academy to remove the makeup / varnish, before the child is allowed to return to their lesson. Gel-style nails that require professional removal will require the parent to arrange for removal before the child is allowed to return to the academy.

9.3. The Headteacher may allow makeup in limited circumstances, at their sole discretion, for example a pupil may be permitted to cover heavy scarring/skin damage.

6. Where to buy

6.1. The school takes into account cost and value for money when considering where parents may purchase items of school uniform which contain the school logo.

6.2. The items above which are marked with an asterisk (*), which contain the school logo, can be purchased from a local supplier, details are provided on each Academy website or the academy uniform purchase order form – further details can be obtained from the front office at each academy and website.

Plain items without the school logo, (such as trousers, jumpers, skirts, t-shirts, PE kit etc) may be purchased either from any major high street store, online retailers or supermarkets, providing that they closely match the colour requirements listed on the academy website and new starter pack.
