S

S is for safe

     
Keep your personal information safe.

  or      
When chatting or posting online don't give

        
away things like your full name, password

   
or home address.

     
Remember personal information can be seen

  +      
in images and videos you share too.

     
Keep them safe to keep yourself safe.

m

M is for meet

Meeting up with someone you only know online,

even a friend of a friend, can be dangerous as

this person is still a stranger.

If someone you only know online ever asks

you to meet up, for personal information or for

photos/videos of you then tell an adult

straight away and report them together on

[www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

a

A is for accepting

        
Think carefully before you click on or open

  e.g.     
something online (e.g. links, adverts, friend

        
requests, photos) as you never know where they

       
may lead to or they may contain viruses.

      
Do not accept something if you are unsure of

       
who the person is or what they've sent you.

r

R is for reliable

 You  cannot  trust  everything  you  see  online

 as  some things  can  be  out of  date,  inaccurate or

 not  entirely  true.

 To  find  reliable  information  compare  at  least

  three  different  websites,  check in  books  and  talk to

 someone  about  what  you  have  found
