

After the Fall

Humpty Dumpty liked to sit on the wall and

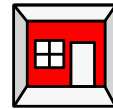

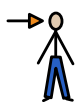

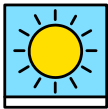

watch the birds.

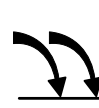

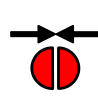

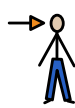

This made him feel happy.

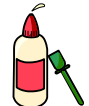

1

One day he fell off the wall.

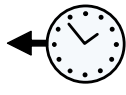

The kings men put him together again.

Some parts could not be fixed with bandages and glue.

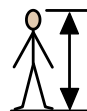

Humpty Dumpty

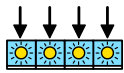

was

frightened of

heights.

Everyday

he

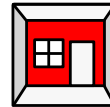

thought about

climbing

the

wall,

he

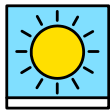

missed

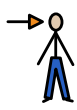

the birds.

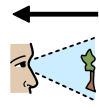

1

One day

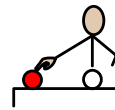

he

saw

a paper plane

that

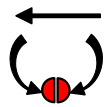

looked like a

bird.

Humpty Dumpty

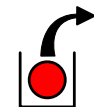

made

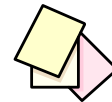

a

bird

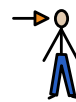

out of

paper

and

he

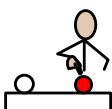

flew

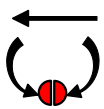

it up to

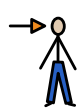

the sky.

This

made

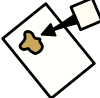

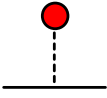

him

feel

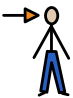

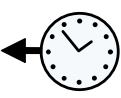

happy.

 The paper bird got stuck on top of the high wall.

 Humpty Dumpty decided to climb the high wall.

 He was frightened, he did not look up or down.

 He climbed one step at a time until he wasn't

 frightened any more.

 We should remember Humpty Dumpty as the egg who

 got back up and learned how to fly.
