

Lara's Class Year 1/2 Summer Newsletter

Happy Summer!

It has been lovely watching the children's progress so far this year. They have been getting involved in all areas of school life and we are so proud of all their achievements! This term we hope to organise a class trip out and we will be making full use of the summer weather and incorporating the outdoor spaces even more so in our learning.

Home communication books

The children have communication books that are sent home so you can communicate any needs your child may have throughout the day. Thank you for all your communication so far.

As the weather gets warmer, please could you send in sun-cream and a hat.

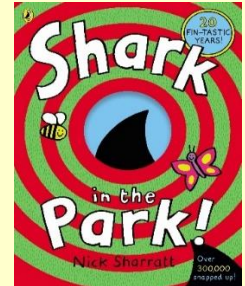

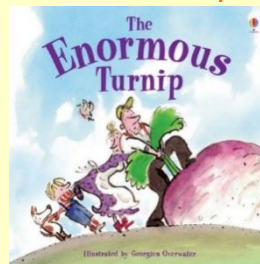

We will be making use of our outdoor spaces in the sunnier weather to get plenty of fresh air through outdoor learning.

Curriculum

This term's texts are:

The Enormous Turnip and **Shark in the Park.**

Please see our class page on the Discovery website to see videos of these books being read aloud for children to watch.

~~~~~

During this term, we will be exploring a variety of different cultural foods. We will be making our own picnic boxes and bunting for our very own summer outdoor picnic!

~~~~~

In P.E, we will also be making use of our outdoor space this summer term by practicing our throwing and kicking techniques using a variety of balls, targets and games.

~~~~~

And in PSHERE, we will be learning all about ourselves, and what we can do well, celebrating our achievements over the year.
