

# Kirsty's Class Newsletter

## Autumn Year 2/3

### Library Books

Children will bring home their chosen library book every Monday. Please could you send it back to school by Thursday, so they can visit our library to choose another book to take home.

### Reading Books

You should have received your child's reading book. We ask that you look through the pages promoting being careful as you turn the page and pointing out what you and your child can see. If you have any questions please ask.

### Welcome back

It is nice to see the children back in school and settling into their new classes. It has been wonderful to watch them take part in lots of exciting activities and learn new things. The children are enjoying spending time with their friends in the academy as well as building new relationships with children from their new class.

## Curriculum

### Literacy

**The Gingerbread Man** is our first texts this term

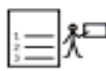

In **Science**, we are exploring materials and sorting objects in categories such as wood, plastic and metal.

In **Computing** we are using the Ipad to use different Apps, the children will learn how to save and retrieve the information they input.

Our

Curriculum

### Maths

In maths, we are going to be practising 'careful' counting. We will be counting everything from steps we take, blocks, toys, children, all so the children can hear the number names in the correct order.

**1,2,3,4,5,6,7,8,9,10**

In our **Art** lessons, we are learning about the primary colours, **red**, **yellow** and **blue** and that new colours can be made by mixing primary colours.
