Learning Support: Janet, Rebecca

## Alex's class Newsletter Spring 2024

We have a lot to look forward to this spring term. Most students will be taking part in a PSHERE session run by Barnardo's focussing on relationships which will really help the secondary school children to develop their awareness of positive relationships.

Before Christmas some of the children took part in an express yourself through dance project with Teesside University. We hope to soon see the outcome of this project which will be composed music and video with ideas produced by the children.

### Curriculum: We are learning...

In Science we are learning about the digestive system, teeth and habitats.

In Geography we will be observing climate zones, biomes, vegetation belts.

In History we will be studying WW2.

In RE we will be learning about how religion is expressed through art and architecture.

In Computing we will be using the iPads to explore video graphics and editing clips and using this to produce a video.

In Art and Design Technology, we are exploring sculpture and clay work. We will be learning a range of sewing techniques and studying famous designers.

In PSHERE we will look at how we can stay safe online.

In English we will be using the texts Macbeth and Journey.

In Maths, we will be continuing to develop our number skills and practise applying these to a range of situations. We will be learning about 2D and 3D shapes, types of measurement, directions, time and money.
