Spring 2024

Nursery

Teacher: Becky
Learning Support: Sarah, Charlotte
and Rahlia
Care Assistant; Jo

Happy New Year! We hope you have had a fabulous Christmas and New Year and wish you a happy 2024. If you have any questions or concerns regarding your child, please do not hesitate to speak to us. We are here to help.

The children have really settled well into nursery and are beginning to show familiarity in their daily routines. They have all built strong, positive relationships with the adults in class.

Please remember to check Showbie for updates of what your child has been up to each week in class.

This half term we will continue to work with the children to

- Learn our routines
- Communicate using signs/symbols/ words
- Explore new areas
- Develop our sensory tolerances
- Access daily speech and Language therapy sessions
- Access daily Attention Autism sessions

Curriculum: We are learning...

Our topic this term is: Helping hands and helping each other.

We will be using these texts: Postman Bear, Mr Gumpy's Outing

We will be learning the rhymes: 5 Currant buns, 5 Little speckled frogs and 5 Green bottles

We will set activities that encourage the children to explore. We will work with the children to develop their communication skills through Speech and Language activities and build up their tolerance to different experiences and learn through a sensory approach.
