

Lara's Class Newsletter Spring Term

Teacher: Lara
Learning Support: Kendra and Kelsey
Care Assistants: Tanya and Kayleigh

They children have settled in well and took part in some amazing learning. They have built strong relationships with the adults and other children in the class and it is really lovely to see.

If you have any questions or concerns regarding your child, please do not hesitate to speak to us. We are here to help.

As the weather is getting colder and wetter can you please make sure your child has a warm coat, hat, gloves and wellies so we can continue to enjoy the outdoor spaces.

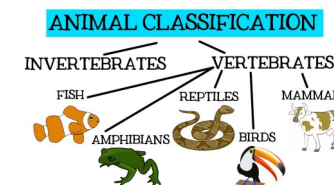

A reminder that library books are chosen on a Monday to share at home and must be returned by Friday, ready for the children to choose a new one for the following week.

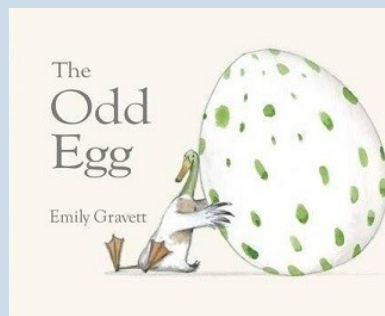

Curriculum

This term we will be exploring many different topics.

In Science we will be learning about fish, amphibians, reptiles, birds and mammals. We will compare their structure and focus on important features and facts to help identify, name and classify them.

Our text this term is:
The Odd Egg

In History we will be focusing on how Middlesbrough has changed over the years and we will be planning a visit to Preston Park museum to support our learning.

In Art we will be practicing drawing and shading techniques and learning how to create different tones by applying different pressure when shading.
