

Morgan's class Newsletter Spring 2024

The children have really settled well in class and are beginning to show familiarity in their daily routines. They have all built strong positive relationships with the adults in class.

Please remember to sign up or check Showbie for updates of what your child has been up to each week in class.

Please can you make sure your child has spare clothes, wellies, coat, hat & gloves during these colder months. We love learning outside!

This half term we will be working with the children to :

- Transition across the school and classroom to different activities
- Practise their independence skills of taking their coat on/off
