

# Zahida's Class Newsletter

## Spring Year1/2

### Showbie

Please make sure you are signed up for Showbie. You can download the app on your phone/tablet. This will ensure that you can see what your child is learning during the school day. We can also send messages home via Showbie. Please contact the school if you need your logon details issuing again.

### Home/School Book

It is really helpful when the home/school book is completed by you. This gives us a much better picture of what the children are doing and how they are when they are not at school.

### Welcome back

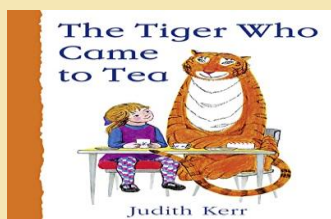

It is nice to see the children back in school and settling back into their school routine. We will look forward to some nicer weather so the children can engage in more outdoor learning.

## Curriculum

### Literacy

**The Tiger who came to Tea** is our first text this term. This is a lovely text and the children can watch an adult from their class read the story on our school website.

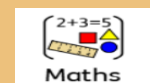

In **Science**, we will be focusing on ourselves as humans and how we are different from each other and how we are different from other animals. The children will be exploring similarities and differences.

In **PSHRE** our focus this term will be all about keeping our bodies healthy– physical, food, cleanliness and healthy minds (happy/ sad).

### Maths

In maths, we are going to be continuing learning key mathematical skills. These include counting objects in a line, recognising numerals and relating numerals to amounts.

In DT the children will be learning how we can make moving figures using split pins. They will learn that we can use different resources and simple tools in a safe way can make things move.
