

## Secondary Newsletter Summer 2024 Alex's Class

Teacher: Alex

Learning Support: Janet, Olivia

We have a lot to look forward to this summer term. Many students are looking forward to the residential trip to Carlton which takes place in May. For others, they are looking forward to 'Careers week' which is filled with workshops and activities with a careers focus, finishing with a celebration event at the Arc in Stockton.

We are also looking forward to having living eggs in the academy where students will be able to help look after and care for live chicks.

### Curriculum: We are learning...

In Science, we are learning about solids liquids and gases, the water cycle and electricity.

In Geography, we will be studying field work.

In History, we will be studying Ancient Greece.

In RE, we will be looking at a comparative study between Sikhism and Buddhism.

In Computing, we will be practicing using PowerPoint to create a presentation on artist Jackson Pollock.

In Art and Design Technology, we are exploring the work of Jackson Pollock and studying painting.

In PSHERE, we are looking at how we can stay safe in the community.

In English, we will be using the texts Young Zeus and Flat Stanley

In Maths, we will be continuing to develop our number skills and practice applying these to a range of situations. We will be learning about 2D and 3D shapes, types of measurement, directions, time and money.
