

# Kirsty's class Newsletter Summer 2024

## Literacy

In literacy our text this term is Peace at last.

The children will learn new vocabulary, engage in the story using role play.

We will continue working on developing our fine motor skills by doing threading activities, mark making using a range of media and continue to practice writing our names.

As the weather brightens we will take our learning outside and enjoy the sunshine .

Library books are chosen on a Monday to share at home and must be returned by Thursday.

## Maths

In maths we will continue our number work by rote counting, taking away and learning about 'more & less' by comparing quantities.

We will look for shapes in our environment, learn how to move forward, backwards, left and right. We will apply direction to programming bee bots.

## DT

The children will be enjoy lots of food tasting this term. We will be making fruit kebabs, fruit smoothies, veggie stick with some tasty dips. We will also explore foods from the world .

## Art

The children will explore warm colours and will enjoy making collages using fruit and veg. We also use our design skills to make pa-

## Science

In science we will be focusing on plants we can eat. We will explore the plants, looking at their structure, e.g., root, stem and leaves. We will grow our own herbs and learn how to look after them by providing them with sunlight and water.
