

Jacqueline's Class Newsletter Autumn 2025

Teacher: Jacqueline

Learning Support: Janet, Janine and Nuzhet

Welcome back everyone!

We hope you had a lovely summer break and we have been excited to welcome back everybody to school!

Our children have settled in really well already into their new class with a new teacher and support staff. We are looking forward to working on individual targets and see the amazing progress all children will make this year. If you have any further questions, please do not hesitate to get in contact.

Our PE days are — Monday and Tuesday

Please send in a pair of wellies or old trainers as we will go outside in all weathers. An old shirt is great for us to use as a cover-up when we do creative activities.

This half term we will be working with the children to:

- Learn our routines
- Increase their independence in the classroom
- Develop focus and attention for extended tasks
- Learn team sports
- Understand each other's boundaries

Curriculum: We are learning...

In English: Narrative, recounts and report writing using the text 'On the Way Home', and the historical focus on the Great Fire of London.

In Maths: Focusing on our individual number, space and measure targets. We will be learning about number applying, sequencing and measurements.

In History: We will look at the Great Fire of London and have an exciting trip to a Fire Station!

In Geography: We will look at capital cities, continents, oceans.

In RE: We will explore the study of Islam as well as the Christmas story and The Epiphany.

In Music: We will be listening to and describing music from the past.

In PE: We are exploring archery and dance.

In Computing: We will be making a presentation using Key Note on the ipads.

In Art: We are looking at the work of Lucy Pittaway and creating a textual collage.

In Science: We will explore the properties of materials and their suitability for purpose.
