

Katherine's Class Newsletter Autumn 2025

Teacher: Katherine
Learning Support: Sophie, Jo and Honey
Care Assistant: Jane

Welcome back everyone!

We hope you had a lovely Summer break and we have been excited to welcome back everybody to school! Our children have settled in really well already into their new class with a new teacher and support staff. We are looking forward to working on individual targets and see the amazing progress all children will make this year. If you have any further questions, please do not hesitate to get in contact.

Please would it be possible to send in a pair of wellies or old trainers and spare clothes as we go outside in all weathers.

This half term we will be working with the children to:

- Learn our routines
- Increase their independence in the classroom
- Develop focus and attention for extended tasks
- Learn team sports
- Understand each other's boundaries

Curriculum: We are learning...

In English: Narrative, instructions and poetry using the texts 'Owl Babies', 'The Magic Porridge Pot' and 'The Squirrels Snowman'

In Maths: Focusing on our individual number, space and measure targets. We will be learning about number applying, sequencing and measurements!

In History: We will look at mining families and take an exciting school trip to Skinningrove!

In Geography: We will look at continents, oceans and the UK within the world

In RE: We will explore the study of Judaism as well as the Christmas story

In Music: We will be creating our own compositions by selecting our own instruments.

In PE: We are working on agility skills and dance movements

In Computing: We will be covering algorithms and how to allow someone to follow your instructions

In Art: We are looking at Mondrian colour mixing and decoupage using jars and boxes

In Science: We will explore everyday materials describing how they change
