

We

are

going to

the

dentist.

The

dentist

is

going to

help

me

with

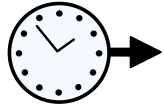

my

teeth.

I

will

sit

in

the

chair

and

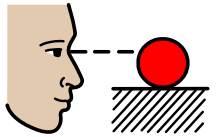

the

dentist

will

look at

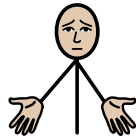

my

teeth.

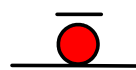

I

need

to be

still

and

open my mouth.

I

am

safe.

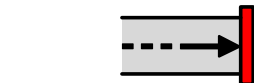

When

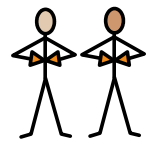

the

dentist

is finished,

we

can

go

home.
