

Secondary Newsletter Summer 2026

Teacher: Alex
Learning Support: Kendra, Sakeena, Lianne

We are really looking forward to this summer term! This term we have our school celebration event taking place, sports day, summer fair and other exciting events for students to be involved in.

Please could students bring in a water bottle if they have one at home as they often get very thirsty in PE. PE will take place on a Tuesday afternoon and a Friday morning.

As the weather is getting warmer, and we spend a lot of time outside learning, students may want to bring in a bottle of suncream with their name labelled on it.

Curriculum: We are learning...

In Creative Arts we will be studying Asian art and will be looking at Ukiyo which -e is a Japanese style of art.

In Social and Cultural we will be learning about the different cities in the UK and the impact of the Industrial Revolution.

In PE we will be focussing on encouraging the pupils to understand the rules of and play sports both independently and as a team.

In PSHERE we will be recapping the emergency services and learn how to report an emergency.

In Careers sessions pupils will be learning about skills needed for a job such as time keeping and working as a team.

In Science we are learning about Electricity.

In Computing pupils will be using Microsoft Excel to practice publishing and organising information.

We will be practicing our comprehension, writing and discussion skills to work towards a functional skills qualification in English.

We will be continuing to develop our number skills and practice applying these to a range of situations to work towards a functional skills qualification in Maths.
